STATEMENTS AND AUTHORIZATIONS

AUTHORIZATION FOR THE COLLECTION, USE AND PROCESSING OF PERSONAL DATA

The undersigned, in accordance with the qualities stated at the bottom of my signature, authorize Zona de Ampliación Logística SA to collect, use, and process the personal data contained in this form and any data that may be provided or collected in the future, for the purposes and under the terms described in the privacy policy available at www.sprubn.com.

In this sense, I grant my express consent to the entity or to whoever represents its rights in the future, to: **A)** Carry out communication activities for contractual, informative or commercial purposes; **B)** Carry out management of knowledge of the supplier, verification of information provided and verification of aspects such as the control of terrorist financing and money laundering; **C)** Control and preservation of the security of people, property and information; **D)** Compliance with legal, accounting, commercial and regulatory duties; **E)** Socialization of policies, projects, programs and organizational changes; **F)** Carry out statistical, commercial, strategic, financial, social, technical analysis, risk rating; **G)** Attention and processing of complaints made by current or potential suppliers; **H)** Provide information to subsidiaries or affiliates of ZELSA, business partners or other companies or persons that ZELSA commissions to process the information; **I)** Provide information to business partners so they can make contacts to offer goods and services, and invite you to participate in programs, projects, or events; **J)** To stop or prevent fraud, attacks on the security of ZELSA or others, prevent technical problems, or protect the rights of others as required by the terms and conditions or the law; **K)** Others described or permitted by law.

I understand that, in addition to the obligations established in the contract to be signed, I am obligated to: **(I)** comply with the obligations acquired by ZELSA in the privacy policy that I declare to be aware of; **(II)** process the data in accordance with the purposes authorized by the data subjects and with applicable laws; **(III)** safeguard the security of the databases containing personal data and any other data assigned to me by current regulations.

I declare that my processes and activities comply with current regulations regarding personal data protection and that my staff is properly trained in their application.

In any case, the processing of my personal data and those of my representatives is subject to the protection established in Law 1581 of 2012, its regulatory decrees and the rules that modify them, as well as the privacy policy published on the entity's website. The exercise of the rights to rectification, modification, update or deletion of my information as well as the making of inquiries may be done through email asistentessac@zelsa.co or by physical mail to the address Avenida Portaria administrative building.

DECLARATION ON ORIGIN OF FUNDS

I expressly declare and declare that:

A) Both my activity, profession or trade is lawful and I exercise it within the legal framework, the resources I possess come from activities that are not considered illegal in the Colombian penal code; **B)** The information I have provided in this document is true and verifiable, and I undertake to update it annually or whenever requested by the Logistics Expansion Zone, providing all the required documentary support; **C)** The resources derived from contracts of the Logistics Expansion Zone will not be used to finance terrorism, terrorist groups or terrorist activities.

AUTHORIZATION BY ELECTRONIC TRANSFER

I authorize the Logistics Expansion Zone to make an electronic transfer to our account described above, for the amounts corresponding to the payment of our invoices.

ZELSA assumes no responsibility for the consequences arising from inaccurate and/or erroneous information or if changes are not reported in a timely manner, as these are the responsibility of your company's legal representative. Any changes to this authorization must be reported in writing.

CONFIDENTIALITY AND NON-DISCLOSURE STATEMENT

I expressly declare and declare that:

A) I agree not to divulge or reveal in any way the information that I have received and that I will receive from the Logistics Expansion Zone, in connection with the provision of its services; **B)** The supplier must keep confidential and not disclose or use it for its own benefit or that of third parties and for purposes other than those requested by the supplier, and disclosure is prohibited, even for academic purposes. Information protected by copyright or industrial secrets must be kept confidential and not disclosed, in accordance with current regulations and that is part of the supplier's information; **C)** The supplier will not reverse engineer or decompile any confidential information that has been provided to it; **D)** In the event of non-compliance, the supplier will be liable for any damages that may be caused by the breach of confidentiality.

THIS APPLICATION MUST BE COMPLETED IN FULL, IN ACCORDANCE WITH THE PROVISIONS CONTAINED IN CIRCULAR 170 OF 2002 ISSUED BY THE DIAN

Signature of the LEGAL REPRESENTATIVE
